It takes all kind of men tawa county. to be pursued. It takes all kind of men A committee of three, consisting of to make a world, and Butler is just as Messrs. Wharton, McBride and McKen-A. Hanks. Dawes are in theirs.

We have not the least idea that Butler who reported the following: will ever be Governor of Massachusetts, still no one can tell what may turn up. He has been resurrected from a political early development of this part of Kangrave several times. You may bury him, sas; therefore but the clods of the valley can not conself out of any sepulchre.

City has seen its best days. Its prestige scaport on the Gulf of Mexico.

Resolved, That to favor this end we is declining and its name is going down in will use every effort to induce citizens blackness. Corruption, mobs, swindles, of this county to vote one hundred and murders and crimes of all kinds envelop twenty-five thousand dollars in bonds in its carcase as a shroud. May not the aid of such enterprise. city be purified, or is it again to be concity be purified, or is it again to be con-county commissioners, that the pending trolled by spirits like Tweed, Connelly election on railroad bonds be suspendand Hall, in another name. Can we find ed, and that the propositions of both upright office-holders control the affairs roads be embodied in one election, to of the city, or, "in these degenerate times," is honesty nowhere to be found.

Chicago to Junction City is \$140; from panied by many celebrities, have been Junction City to Salina, fifty-three miles, visiting Kansas, having honored Leaven-249. So much has been obtained for worth with a visit, yesterday. Senators Junction City by competing lines of Pomeroy and Caldwell, Representative railroad. The more lines of road there Lowe, Governor Harvey, and other are in the country the less they become prominent men of the State have been

AUTUON TALK.

To the Editors of The Saline County Journal. The cool nights and mornings, and the warm, dreamy, quiet noons, prolaim:

The insect orchestra that, added to the rere beauty of the summer nights, now oreathe their faint, farewell song at noonday. The sun streams down with a mellowed, amber light, while far away the Buttes, the Soldier's Cap and North Pole Mound are dimly seen in the soft, blue haze that wraps the distant land-scape. Through the spring and sum-mer our bright, green prairie was gem-med with myriads of flowers:

Whose glory and whose multitude Now they have faded away and the prairie grows browner day by day; and though there is a quiet beauty in this autumn landscape, yet we miss sadly the charm of our Eastern homes, the ston; 2d best, C. W. Tressin. "grand old woods," arrayed in gold and crimson. Those old retreats: how it be, fills the heart with a feverish yearning to roam once more through the quiet, sunny woodland where a gorgeous car-pet lies spread at our feet and the yellow 2d best sweet, A. M. Beebe. and crimson leaves come slowly dropping down through the still air. Though Tressin. streams still maintain their dark green C. W. Jones.
color, yet they will soon change to a Best Cabbage, E. D. Johnston. color, yet they will soon change to a desolate brown. While we are planting groves in our new homes let us select some trees that will give fine effect and coloring as the autumn comes on. The maple family are easily raised from the seed, and many of the species are noted for their fine autumn coloring. There is the well known sugar maple (acer saccharum) the foliage of which is superb in autumn; a mixture of golden Railroads, the press, education and re-black sugar maple (acer saccharum niligion go hand in hand in permeating a grum) changing to a deep orange. The

FIRST PROPOSITION.

ansas Central Railway Company prop ty of Saline as follows: To build and equip a first-class railwa First, To build and equip a first-clase railway, with a guage of three feet, from a point in thay county through the county of Saines, via the city of Salina and the valley of Smoky Hill river.

In consideration of the above proposal the county of Saline agrees to subscribe one hundred and fifty thousand dollars to the capital stock of said railway company, and to issue in payable thirty years after the date thereof, and bearing interest at the rate of seven per cent, per annum, payable emi-annually; interest and principal payable in the city of Sew York.

If at an election to be held in askid county to determine the question of such subscription (and of the disposal, then such rulser) and the subscription and disposal, then such rulser prescribed by law, and bonds to the amount of such subscription shall be made in the manner prescribed by law, and bonds to the amount of such subscription of the State of Kansas of and operation of said railway from the certificate of the Governor of the State of Kansas of and operation of said railway from the city of Salina to the completed as follows: Upon the certificate of the Governor of the State of Kansas of and operation of said railway from the city of Salina to the content boundary of said county, via the valley of Smoky Hill river, said trustee shall in like manner described by law of the certificate of the Governor of said railway from the city of Salina to the completed as follows: Upon the certificate of the Governor of the State of Kansas of and operation of said railway from the city of Salina to the countern boundary of said county via the valley of Smoky Hill river, said trustee shall in like manner described by law and boundary of said county via the valley of Smoky Hill river, said trustee shall deliver seventy-five thousand dollars of said south via the capital stock of the Kansas and Northwestern Railway Company, and disposing of the same.

For subscribing one hundred and fifty thousand of the disposal of the capital stock of the Republican. Salina and Ar

bonds.

When the certificate of the Governor of the State of Kansas, that any ten (10) miles of said railway are graded, shall be filed with the county clerk of said county, or with said trustee, said railway company, or its assigns, shall, from that date, draw the interest thereafter recruips upon the said one hundred and fifty thousand

as, by virtue of authority vested in me by law, and by ting terms and conditions:

In consideration of the completion and operation of said railway to the city of Salina within eighteen months, and to the southern boundary of Salina county within eighteen months after the date of the acceptance of this proposition and the delivery of the bonds bereinbefore described to the trustee named in this proposition and for the further consideration of the sum of one dollars and for the further consideration of the sum of one dollars and further consideration of the sum of one dollars and trustee shall dispose, by delivery to said railway company, or its assigns, of the stock so to be subscribed, as follows:

Upon the completion and operation of said railway to the county of said stock, and upon the completion and operation of said railway to the southern boundary of Salina county within the time designated, to the city of Salina, said trustee shall deliver seventy-five thousand dollars of said stock, and upon the completion and operation of said railway to the southern boundary of Salina county. The object of the special election is and notice, at the various election precincts throughout said trustees shall deliver the remaining seventy-five thousand dollars of said stock. Provided, That in case said railway company fais to complete said railway company of its agreement to complete said railway company of its agreement to complete said railway company of its agreement to complete said railway company shall forfeit all interest therein.

By order of the Board of Directors of the Kanasa and Northwesterr Railway Company upon the conditions and stipulations set forth above in said third proposition, to the board of county commissioners, as subscription by the county of one hundred thousand (\$150,000) dollars to the capital stock of the Republican, Salina and Arkansas Vailey stock of the Republican and stipulations set forth above in said third proposition, to the board of county commissioners.

9th day of September, 1871.
PAUL E. HAVENS, Secretary.

The Republican, Salina and Arkansas Valley Rail-

in a southerly direction, passing through the city of Salina.

In consideration of the above-named proposal, the county of Salina, one of the counties named, agrees, against subscribing two hundred thousand (520), no subscribe one hundred and fifty thousand dollars to the empital stock of suit county to that amount, payable in thirty years after date and bearing interest at the rate of seven per cent, per annum, payable semi-annually the principal and the interest payable in the city of New York.

If at an 'election to be held in said county of Salina to election at the subscription, and the disposal of the stock so to be subscription, and the disposal of the stock so to be subscription, and the disposal of the stock so to be subscription, and the disposal of the stock so to be subscription, and the disposal of the stock so to be subscription where the county of salina, then such such personal and bearing on and such disposal, then such subscription while the matter of such county of saline, then if shall be prepared and the county of saline, then if shall be during the county of saline, then if shall be during the county of such county of saline, then if shall be during the county of such county of saline, then if shall be such on the crifficate of the Governor of the Sale, aboving when said work is thus completed as stipulated, to pay and deliver to said railway, or then assigns, on the certificate of the Governor of the Sale, allowing when said grading and missoury were completed from the county fixed and the such as the same of the sale of the county of Saline, for the disposal of the county of Saline, for the disposal of the county. And when and company shall have pure of the Sale, allowing when said grading and missoury were completed from the county fixed proposal and the south boundary line of the county of Saline, for the disposal of the

have so composed the road that it can be operated from
the south boundary line of the county to the town of saima, then said trustee shall deliver to said railway company, or its assigns, when thus due, the further amount
of nilly thousand dollars of such bonds; and the remaining sum of lifty thousand dollars to be delivered to said
company, or its assigns, on the completion and operation of the road through the said county of Saline, but
no baseds issued to said company shall draw any interest
prior to the date fixed in the certificate of the towernor,
determining that said road has been properly graded and
the missoury completed to the fown of Salina, which
date thus fixed shall be the date of accruing toterest on
the bonds; and if the railway company doem it best
to build from the town of Salina to the northern boundary of the county, rather than to or from the southern
boundary first, then this proposition shall be so construed that the said company may build from Salina
northor south, or to Salina from north boundary, or the
south boundary, as deemed best by said company, and
the payments shall fall due in the same manner as if said
road had been built from the southern boundary of the
county.

In consideration of the compaction of said roas through the county within three years after the date of the acceptance of this proposition, and of the further consideration of the delivery of the said bonds to said trustee, to be mutually anned by the company and the further consideration of the county of Saline, and of the further consideration of the sum of ondollar, to be paid by said company to said county of saline. The said county of Saline, through and by the trustee aforesaid, shall dispose of its share in the capital stock of said company by assignment and transfer of its certificate of stock issued as heretofore provided; Provided farther, this in case said company, or its assignces, fait to complete said road within the time specified, then such trustes shall return such bonds to the county treasure of Saline county, unless said county shall see fit to extend the importance of and company of its agreement with the county, such forfeiture shall be held and deemed to include both principal and interest on such bonds so forfeiture.

Will A PHILLIPS.

Secretary R. V., S. & A. V. R. R. Co.
